

Dean, School of Nursing

Institution: South College
Location: Knoxville, TN
Application Date: Open Until Filled
Type: Full-Time

South College invites applications for the position of Dean of the School of Nursing. The Dean provides leadership for the School of Nursing and must be committed to innovative and relevant education for students. Responsibilities include collaboration and consultation with faculty to promote maximum commitment and results; maintaining high standards of teaching, scholarship, and service; leading efforts for new program development; completing and administering the School of Nursing budget; recruiting, hiring, and evaluating faculty; organizing student advising procedures; organizing faculty teaching loads and quarterly class schedules; developing and maintaining collaborations with other colleges/programs for interprofessional educational opportunities; and representing the School of Nursing at the institutional level, as well as in the community at large.

Candidates must have an earned doctorate or terminal degree in nursing, or if not in nursing, a discipline related to health care or education and a master's degree in nursing. Candidates must also hold a valid license as a Registered Nurse in Tennessee or be eligible for licensure in the state. Applicants must evidence a successful record of teaching and scholarship and an administrative record that evidences effective leadership, knowledge of assessment and accreditation requirements, and experience working with a diverse group of students, staff, and faculty.

PROGRAM DIRECTOR, MASTER OF SCIENCE IN NURSING WITH CONCENTRATION IN FAMILY NURSE PRACTITIONER

Institution: South College Nashville Learning Site
Location: Nashville, TN
Application Date: Open Until Filled
Type: Full-Time

South College invites applications for the position of Program Director for a Master of Science in Nursing with Concentration in Family Nurse Practitioner (FNP) program. The Program Director provides leadership for the development and implementation of a FNP program. The candidate must be committed to innovative and relevant education for master's degree level nursing students.

Responsibilities include maintaining high standards of teaching, scholarship, and service; leading efforts for new program development including all accreditation/approval efforts; managing a program budget; recruiting, hiring, and evaluating faculty; organizing student advising procedures; organizing faculty workloads and quarterly class schedules; developing and maintaining collaborations with other programs for interprofessional educational opportunities; and representing the Nursing program at the school and institutional levels, as well as in the community at large.

Candidates must evidence the following:

- An earned doctoral degree in Nursing. A degree in a discipline related to health care or education may be considered depending upon experience;
- Certification in FNP;
- A valid license for practice in the state of Tennessee;
- A minimum of five (5) years, full-time, professional experience in Nursing;
- A minimum of three (3) years, full-time, postsecondary teaching and administration preferred;
- Experience with curriculum development, planning, assessment, and evaluation processes preferred
- A successful record of teaching and professional experience.
- Strong leadership skills and a passion for overseeing a quality educational program.
